# Windansea Beach

## Failing Infrastructure & Public Safety

Bluff failure

Bluff erosion

Storm Drain failure

Collapsed sidewalk

Benches sliding down the bluff

Poor signage

Broken fencing

Eroded stairwells

2 way congested traffic

Dysfunctional Pump House

We are seeking Expert advice, resources & funding  
to develop

## The Windansea Rehabilitation, Adaptation and Management Plan

Scientifically informed and Community Driven

Sea Level Rise Planning  
Bluff Erosion Mitigation  
Improved & Safe Public Access  
Relocation of 15 Benches

Stormwater System Renovation  
Traffic Calming Measures  
Utilities [Pump House Malfunctions]  
Reduce Costly Emergency Response

Thank You!
